Paver Set Polymeric Sand

SAKRETE® Paver Set Polymeric Sand is a mixture of sand and special additives for paving stone joints. Engineered to resist wind, rain, freezing conditions, and substrate movement without washing away.

SAFETY:

READ and UNDERSTAND the Material Safety Data Sheet (MSDS) before using this products. WARNING: Wear protective clothing and equipment. See HMIS block. For emergency information, call CHEMTREC at 800-424-9300 or 703-527-3887 (outside USA). KEEP OUT OF REACH OF CHILDREN.

PREPARATION:

READ ALL DIRECTIONS BEFORE STARTING WORK.
Pavers must be dry and installed on a draining bed (sand).

PLACEMENT:

1. Pour on clean, dry surface.
2. Sweep SAKRETE® Paver Set Polymeric Sand into joints, filling completely.
3. Compact sand in joints.
4. Remove excess sand from surface before wetting.
5. Spray using a mist (avoid spraying into joints or flooding).
6. Repeat spraying a minimum of 4 applications at 10-20 minute intervals.

COVERAGE:

50 lb. Bag
50-80 sq. ft. (4.6-7.4 sq. m.) for joints of approximately 1/8" (3.1 mm.) wide
20-40 sq. ft. (1.9-3.7 sq. m.) for joints of approximately 3/8" (9.3 mm.) wide

STORAGE:

Store in a tightly closed container, off the floor and in a dry place.

SHELF LIFE:

One year from date of manufacture.

PACKAGING:

50 lb. bag (22.68 kg.)

ENVIRONMENTAL ADVISORY:

Uncured or crushed cured cement is an environmental hazard, which may adversely affect fish and wildlife. Dispose of construction debris containing cement, including empty bags, at a permitted municipal disposal firm. Do not use crushed concrete as a fill near an aquatic habitat.

WARNING! CAUSES IRRITATION - Avoid contact with eyes, skin and clothing. Wash thoroughly after handling. Exposure may result in irritation of the skin, eyes or nasal passages from alkali in Portland cement. When wet, contact with the skin or eyes may result in irritation or burns.
FIRST AID: In case of eye contact, flush immediately with plenty of water. If irritation persists, get medical attention. WARNING! HARMFUL IF INHALED - Avoid breathing dust. Keep container closed. Use adequate ventilation. Excessive exposure by inhalation over an extended period of time may result in the development of pulmonary diseases including pneumoconiosis and silicosis. Crystalline Silica has been classified by IARC and NTP as a carcinogen.

LIMITED PRODUCT WARRANTY
 US MIX Co. (Manufacturer) warrants to Buyer that this product at the time and place of shipment is of good quality and conforms to manufacturers' specifications in force on the date of manufacture when used in accordance with the instructions hereon. Manufacturer cannot warrant or guarantee any particular method of use, application or performance of the product under any particular condition. This limited warranty cannot be extended or amended by manufactures' salespeople, distributors, or representatives or by any sales information, specifications of anyone other than manufacturer. Liability under this warranty is expressly limited to refund of the purchase price.
